

Practice Website Customization Services

**Patients are searching for information about YOUR practice on the Internet.
Do YOU have a website to meet their needs?**

Directions, telephone numbers, office hours -- any and all information is searched for on the Internet in today's world. Let PMSCO Healthcare Consulting customize a simple and clean website for your practice in minimal time. We will add design, text, images, forms, maps, and much more. You can select a Standard Package (5 pages max) or Professional Package (10 pages max).

WEB HOSTING

Your website will be hosted by VistaPrint®. PMSCO will coordinate the purchase of this monthly service, which includes 100-500 MB of disk space, 10-20 GB of bandwidth, and 1 or more business domain name(s). You also receive either Basic or Priority Phone Support and Site Activity Reports that allow for the tracking of visitors to your site.

PRICING

Professional Design Fees:

Pennsylvania Medical Society Members: \$899 or \$1,749

Non-Pennsylvania Medical Society Members: \$1,099 or \$2,049

Web Hosting Fees (through VistaPrint®):

Standard: \$9.98/month

Professional: \$19.97/month

GET STARTED

Please complete the form below and fax it to PMSCO at (717) 561-9339. PMSCO will forward a Proposal Agreement which will describe the website customization process. A Practice Website Customization Form will also be enclosed for you to complete concerning the details of your website content (text, forms, and graphics).
